IX. ACKNOWLEDGMENT:

1. I certify that all the information provided by me on this document is true and complete, and I understand that any misstatement, falsification, or omission of information shall be grounds for refusal to hire or, if hired, termination.
2. I hereby authorize Hill Country MHDD Centers to investigate my background, education, and experience. I authorize former employers, former supervisors, and other persons with knowledge of my background, education, or experience to provide any and all information to the Center. I understand any information collected during such investigations will be confidential and I will **NOT** be given access to the information.
3. I also authorize the release of my driving record to HCMHDDC for the purpose of insurability verification. I understand that my employment may be dependent upon qualifying for insurance and having a satisfactory driving record. I also understand that while I am employed with Hill Country MHDD Centers, my driving record will be reviewed on an annual basis.
4. I understand that as a condition of employment, I will be required to provide legal proof of authorization to work in the U.S.
5. I understand that my employment is subject to termination at will. Therefore, both Hill Country MHDD Centers and I remain free to choose to end the work relationship at any time for any reason. I understand that this application does not constitute a contract for employment.
6. I understand that I will be required to present proof of education (i.e. diploma, degree, transcripts, licenses, certifications, registrations) if a conditional offer of employment is made; and that offer of employment is conditional based on the clearance of a drug screening, driving record, and completion of Competency Based Training Courses.
7. I fully understand that a conviction for fraud is an automatic bar from employment or volunteer status with HCMHDDC. I authorize HCMHDDC to use my name to conduct pre-employment/pre-assignment clearance through the Health and Human Services Office of the Inspector General computer files.
8. I further understand that a conviction related to any sexual offenses, homicide, theft, assault, battery, or any other crime involving personal injury or threat to another person would bar employment or volunteer status as required by law; that conviction of other types of criminal offenses may be considered a contraindication to employment or volunteer status; and that being listed as revoked in the Nurse Aide Registry or being listed as unemployable in the Employee Misconduct Registry would bar employment or volunteer status with Hill Country MHDD Centers. I authorize HCMHDDC to use my name to conduct a pre-employment/pre-assignment criminal conviction check through the Texas Department of Public Safety computer files and/or the FBI, the Nurse Aid Registry and the Employee Misconduct Registry.

Pre-Employment Controlled Substance Testing

To all APPLICANTS:

Pre-employment controlled substance testing is required when an *applicant* receives a conditional offer of employment. If an individual's controlled substance test is verified as positive, the applicant's offer of employment will be rescinded. Applicants may obtain the results of the controlled substance tests by requesting them from the Human Resource Office within 60 calendar days of being notified of the disposition of the employment application. Controlled substance testing is done by chemical analysis of an individual's urine.

An individual fails the controlled substance test if there is positive evidence of a controlled substance or drug metabolite in the urine specimen that is at or above the levels listed in federal guidelines. Controlled substances are marijuana, opiates, phencyclidine (PCP), amphetamines, and cocaine. A positive controlled substance test may be verified as negative by the medical review officer (MRO) if it is determined that legally prescribed medication(s), taken under the direction of a physician, is the cause for the positive test.

NOTE: If an applicant's confirmatory test results are positive, he or she may request one re-analysis of the specimen. The applicant is responsible for payment of all costs associated with the re-analysis.

I have read and understand the requirements of the Center's pre-employment controlled substance testing program as described in this form.

DPS Computerized Criminal History (CCH) Verification

(Hill Country MHDD Centers)

I, _____, have been notified that a Computerized Criminal History (CCH) verification check will be performed by accessing the Texas Department of Public Safety Secure Website and will be based on name and DOB identifiers I supply.

APPLICANT or EMPLOYEE NAME (Please print)

Because the name-based information is not an exact search and only fingerprint record searches represent true identification to criminal history, the organization conducting the criminal history check for background screening is not allowed to discuss any criminal history record information obtained using the name and DOB method. Therefore, the agency may request that I have a fingerprint search performed to clear any misidentification based on the result of the name and DOB search.

For the fingerprinting process I will be required to submit a full and complete set of my fingerprints for analysis through the Texas Department of Public Safety AFIS (Automated Fingerprint Identification System). I have been made aware that in order to complete this process I must make an appointment with L1 Enrollment Services, submit a full and complete set of my fingerprints, request a copy be sent to the agency listed below, and pay a fee of \$24.95 to the fingerprinting services company, L1 Enrollment Services.

Once this process is completed and the agency receives the data from DPS, the information on my fingerprint criminal history record may be discussed with me.

(This copy must remain on file by your agency. Required for future DPS Audits)
