## AMBULATORY DETOXIFICATION SERVICES

**MISSION STATEMENT:**  
Promoting Independence,  
Community Integration,  
and Recovery.

## WHAT IS AMBULATORY DETOXIFICATION?

Ambulatory Detoxification is a safe withdrawal from drugs in an outpatient setting.

Hill Country Community MHMR Center contracts with the Department of State Health Services in order to be a provider of substance abuse services. Under this contract, Hill Country CMHMRC provides ambulatory detoxification which is a 3-7 day service for adults (male/female) in need of detoxification from drugs of dependence.

### PURPOSE

- ❖ To enable the client physically dependent upon drugs to undergo withdrawal safely and comfortably.
- ❖ To provide a safe environment in which the intoxicated client or client in withdraw may be controlled.

## SERVICES PROVIDED

- ❖ Access to services 7 days a week
- ❖ Access to 24-hour Medical Staff
- ❖ Detoxification from drugs of dependence
- ❖ Medical/Physical Assessment (Medical Physician authorizes all admissions and conducts face-to-face examination)
- ❖ Introduction to Substance Abuse Treatment
- ❖ Referrals to Continuum of Care
- ❖ Financial Assessment determines client's ability to pay in accordance with the sliding fee scale
