A PLACE TO CALL HOME
ABOUT US

Executive Director, Connie Owens and her husband John, moved to Kerrville in 2010. A desire to meet the needs of their own deaf son, and his heart to remain in the area where he had grown up led them to Kerrville, TX. Only 45 min. from San Antonio and just over an hour from Austin, Kerrville sits in the heart of the hill country. With so many deaf and hearing impaired in and around this area, mainly due to specialized schools, we have found a great need for residential services.

Program Manager, Angela Wilhelm has a degree in deaf education and has worked in this field for many years. Angela loves working with the deaf and currently teaches independent living to both deaf and hearing clients.
